MATCHSPACE

Basic navigation

- You can navigate through the app using the toolbar at the bottom of the screen.

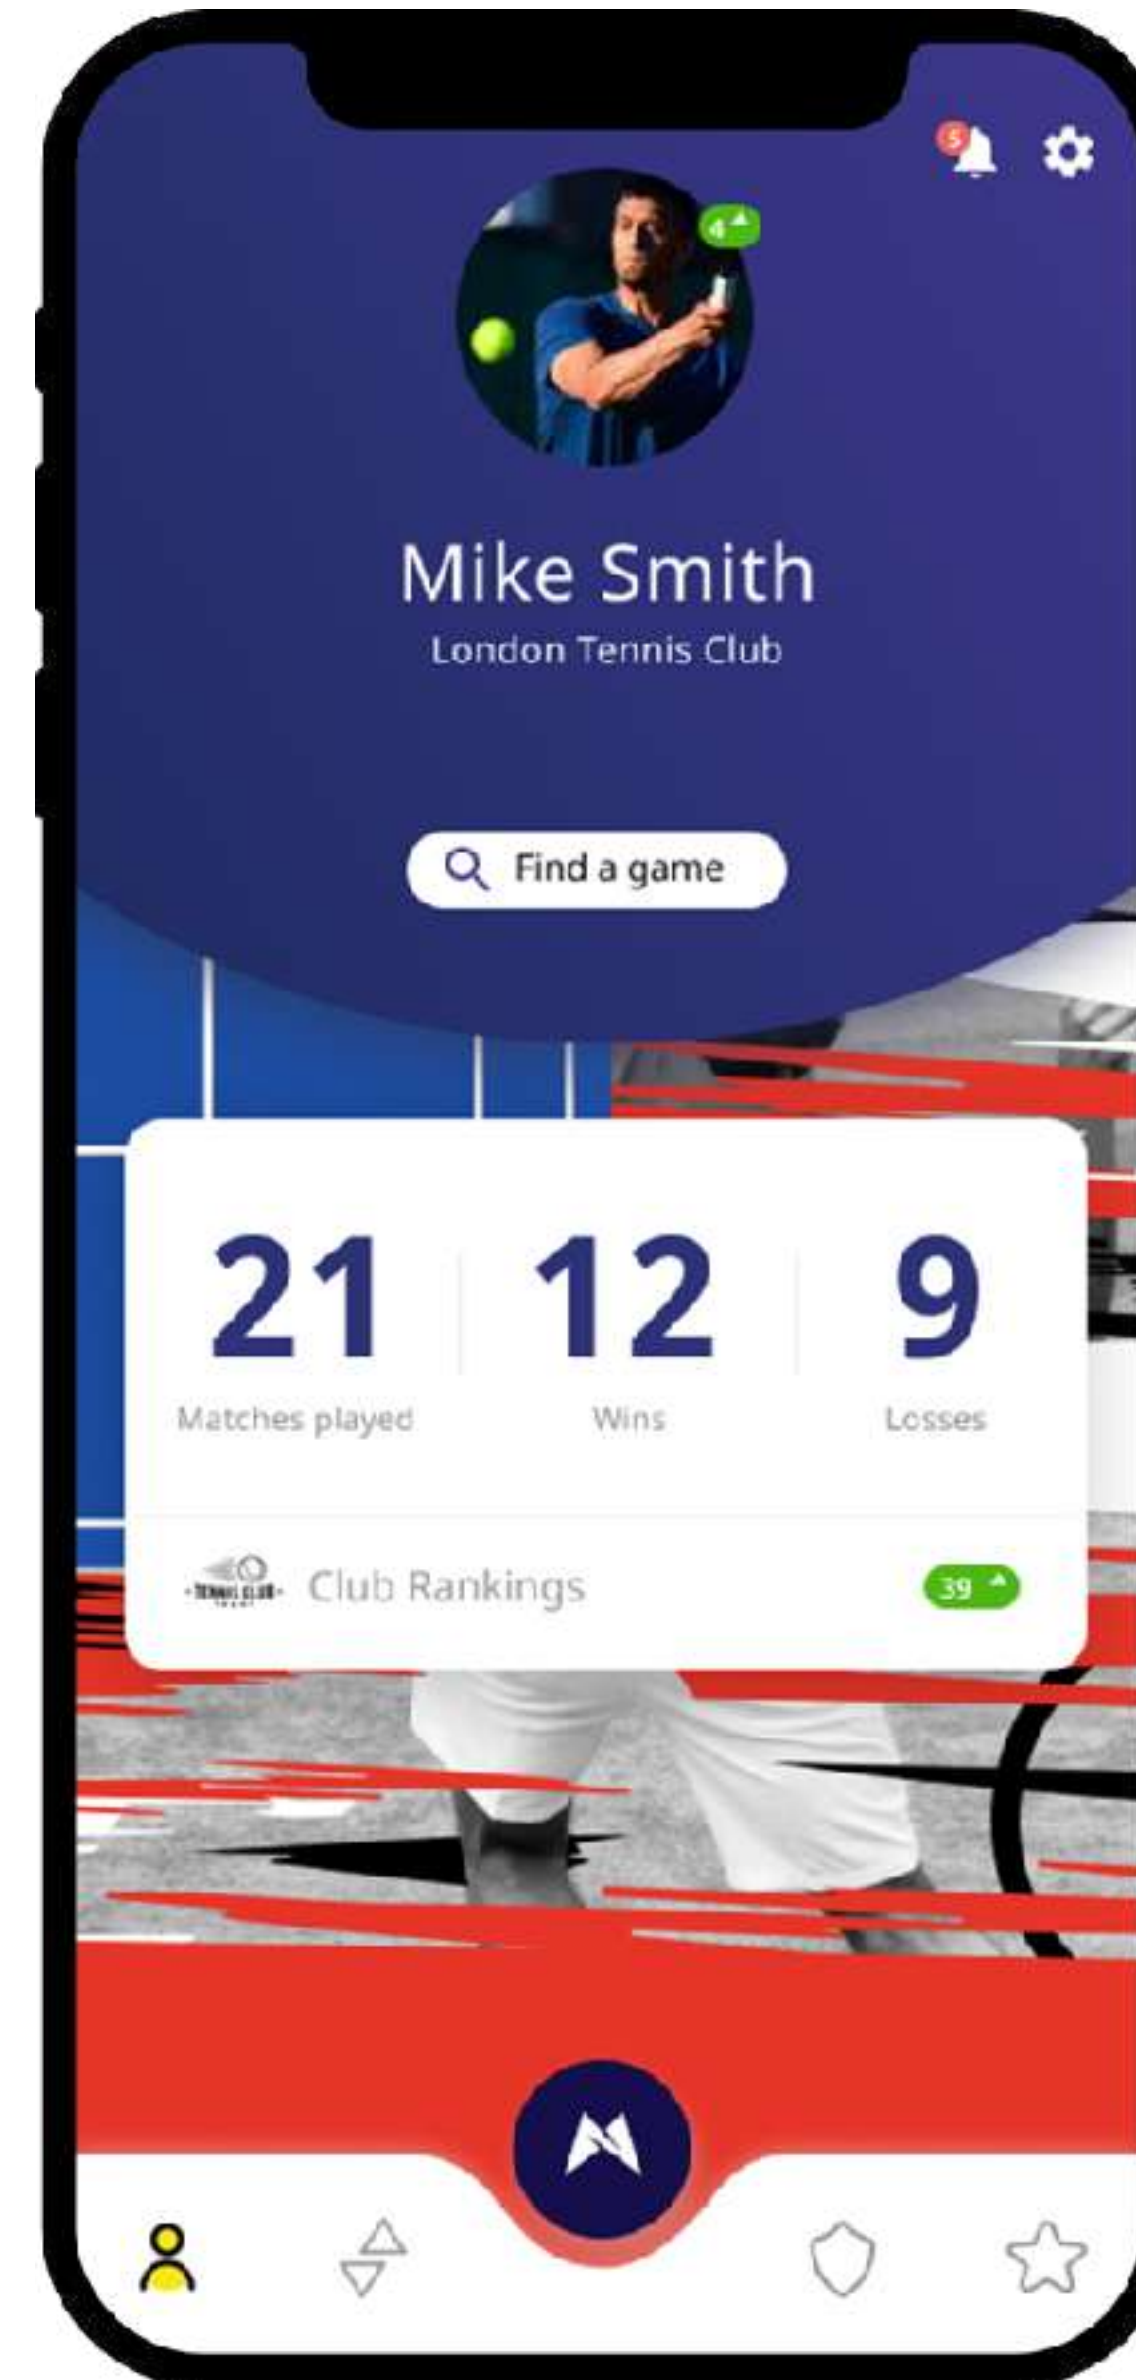

MATCHSPACE

Tab 1 – Home screen / player profile.

- Here you can view playing stats and open the player directory through 'Find a game'.

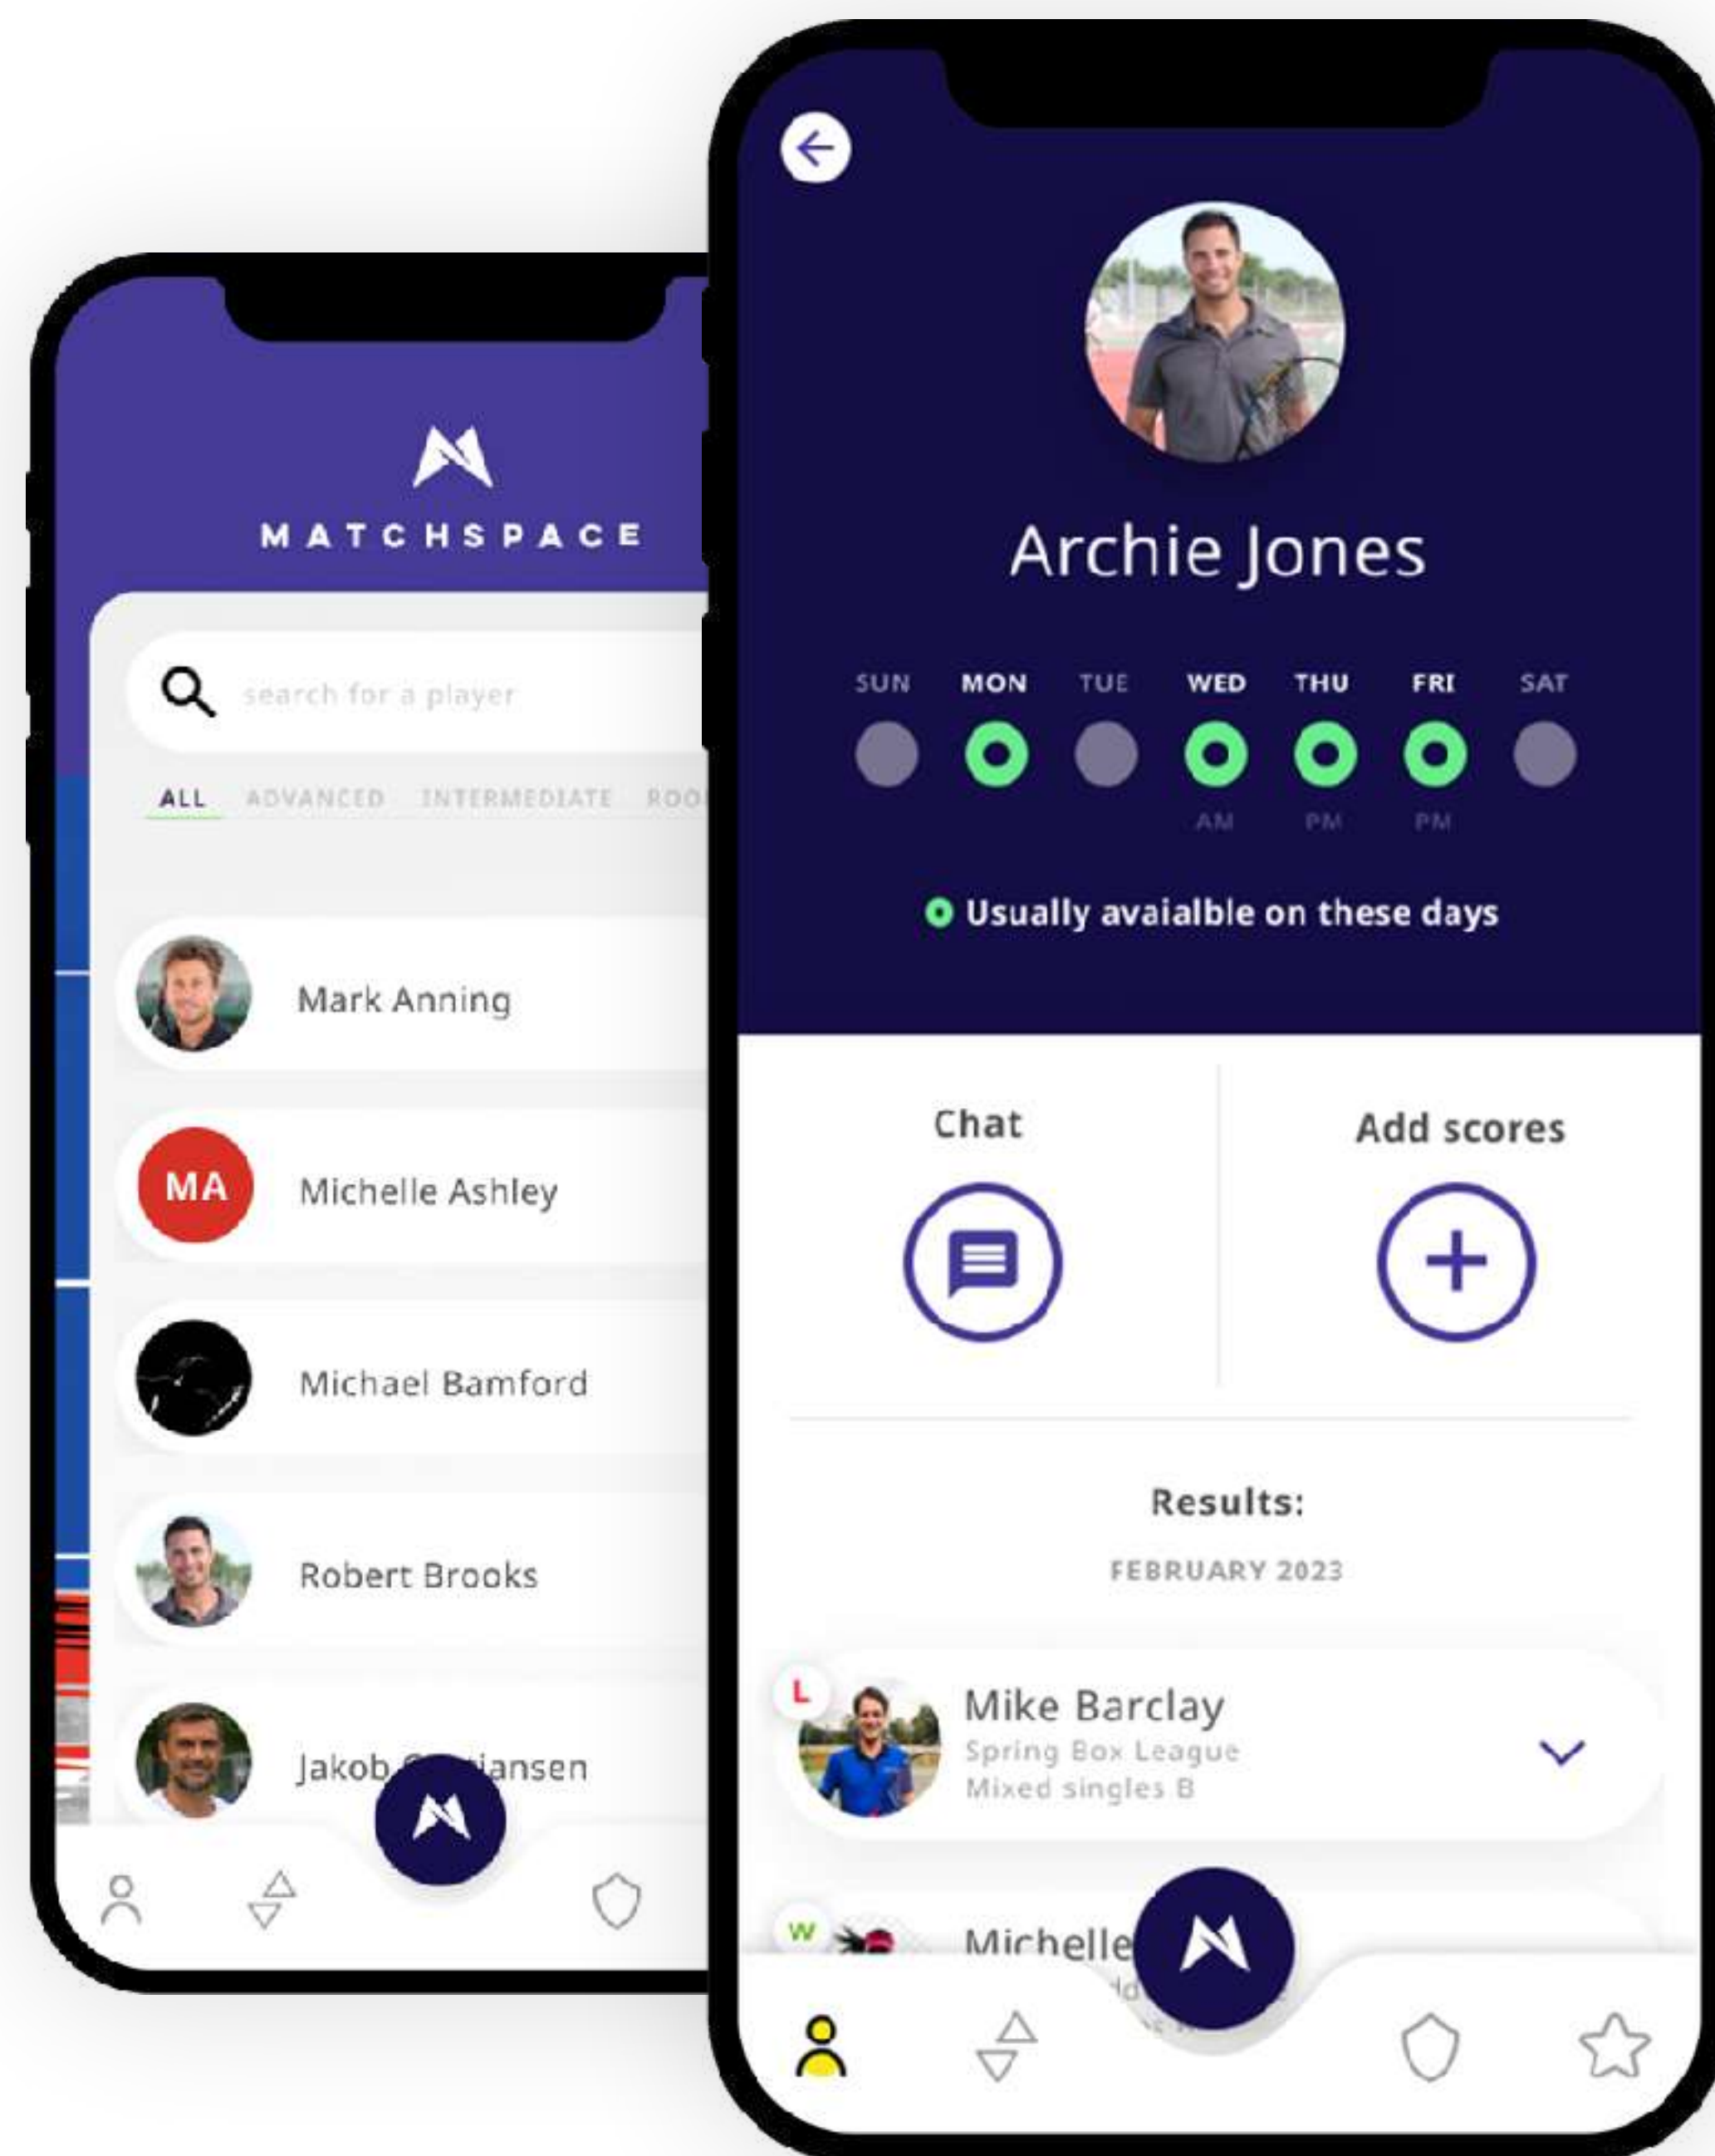

MATCHSPACE

Find a game. Player directory.

- View all players in your club by self-graded ability.
- Click on a player to see their availability, match history, start a chat or add a score.

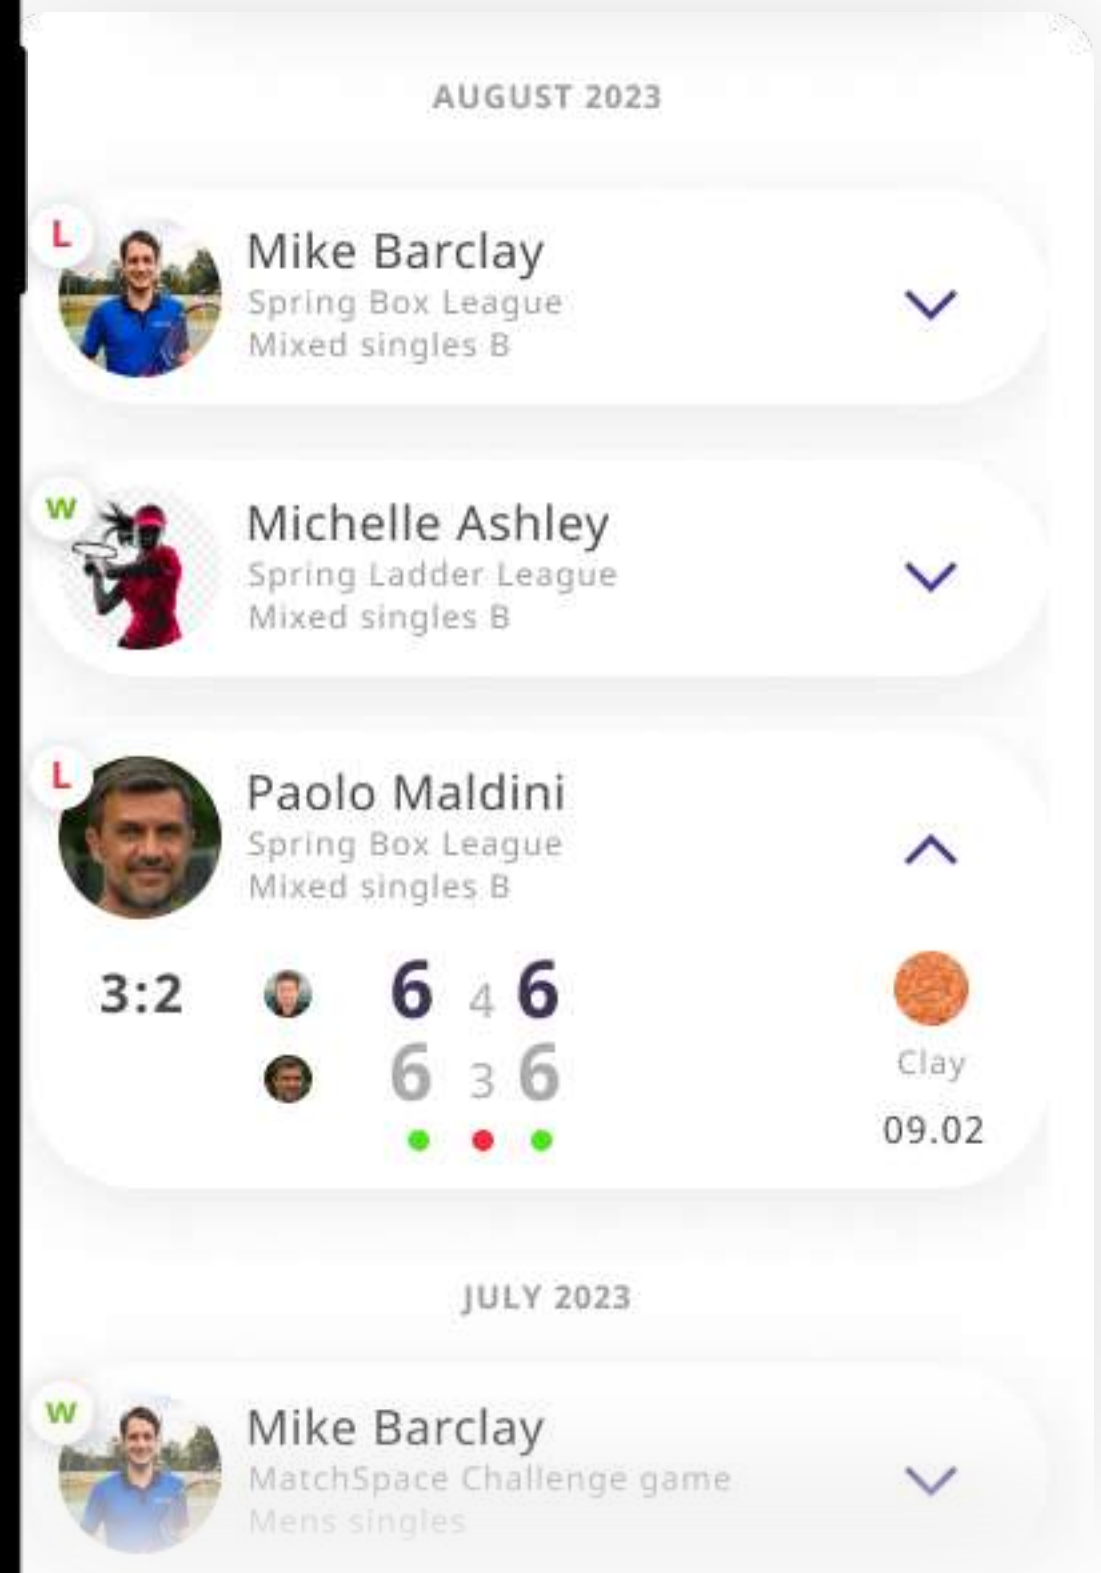

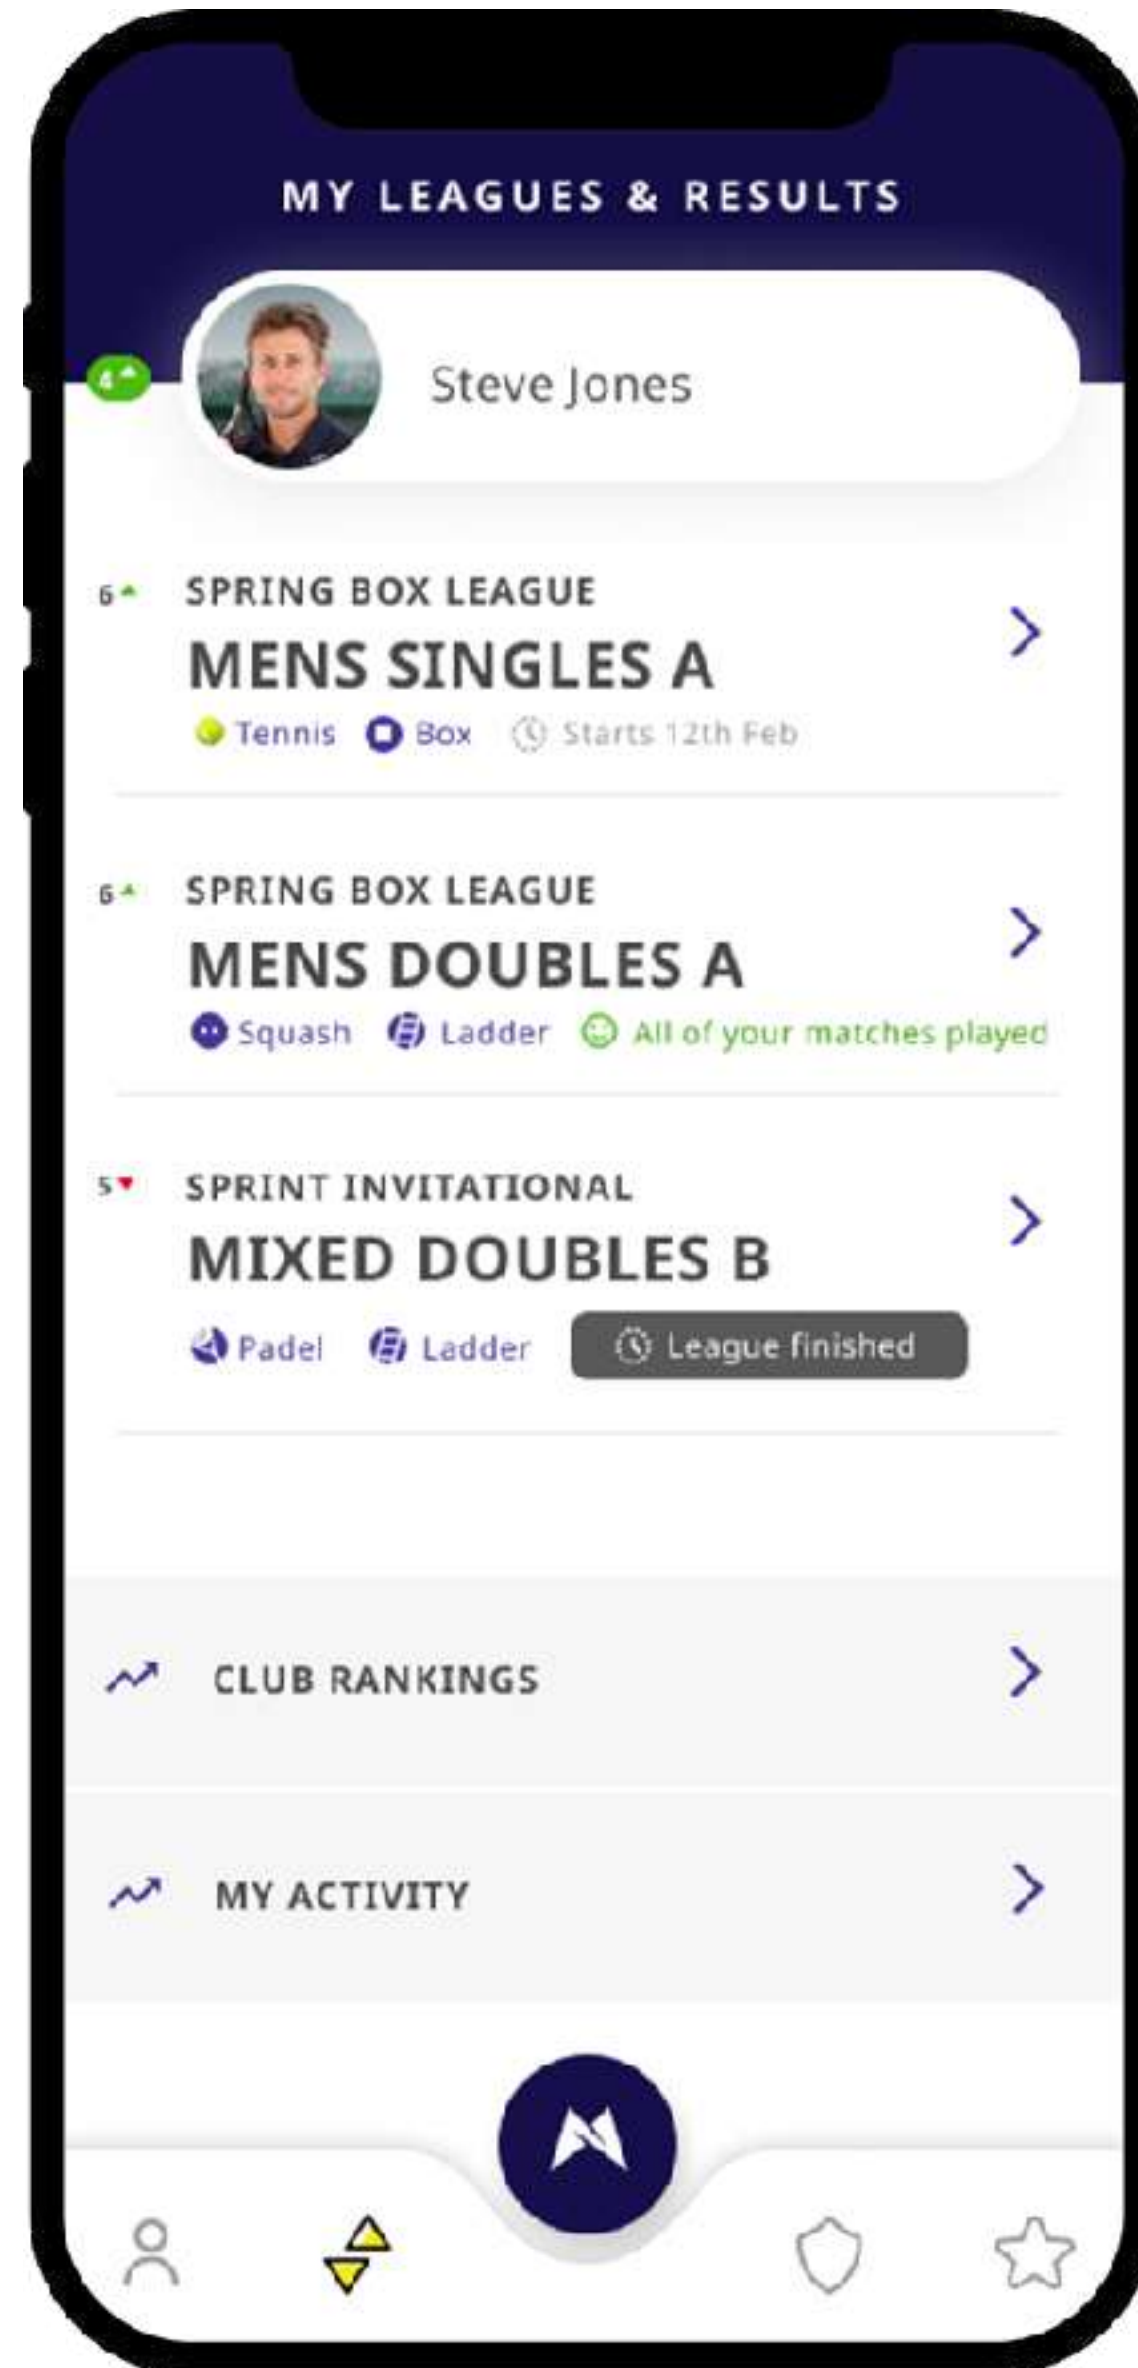

MATCHSPACE

Tab 2 – My Leagues and Results.

- View your leagues that are upcoming or in play.
- View other leagues that are in play at your club
- View your Match history in My Activity
- View your Club Rankings

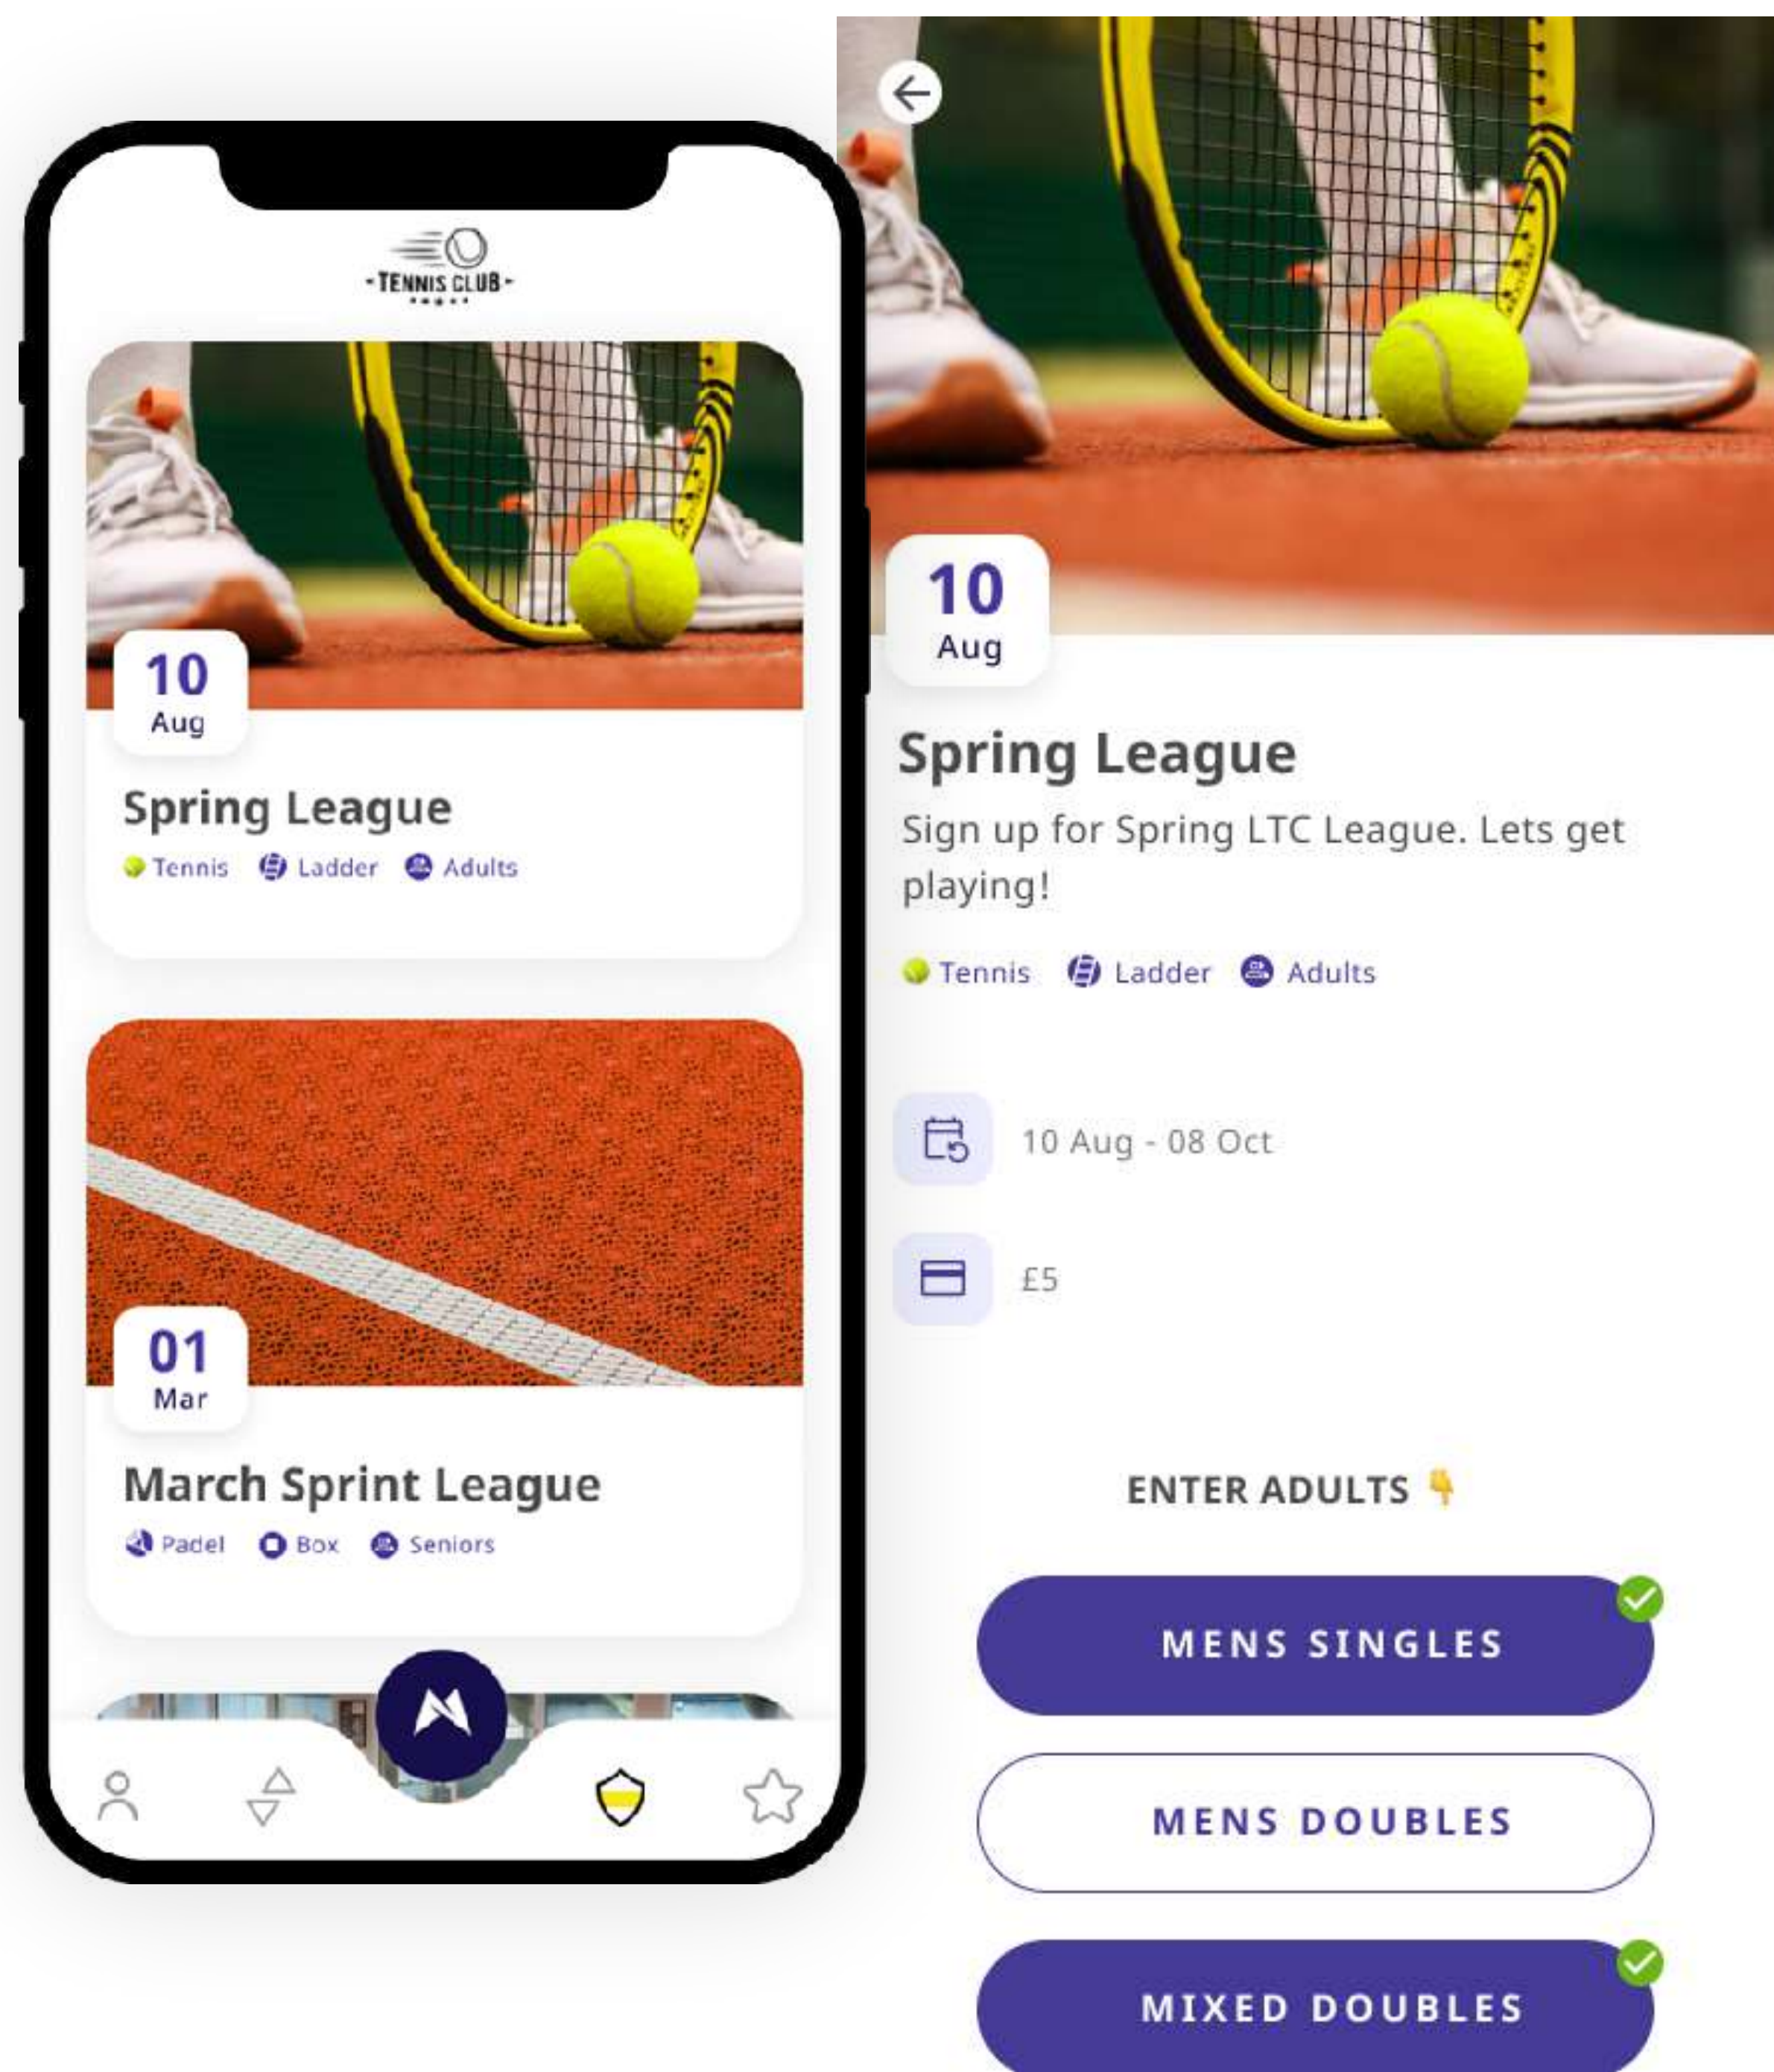

MATCHSPACE

Tab 3 – Club feed

- Enter upcoming leagues and events
- View league rules
- View posts sent from your club.

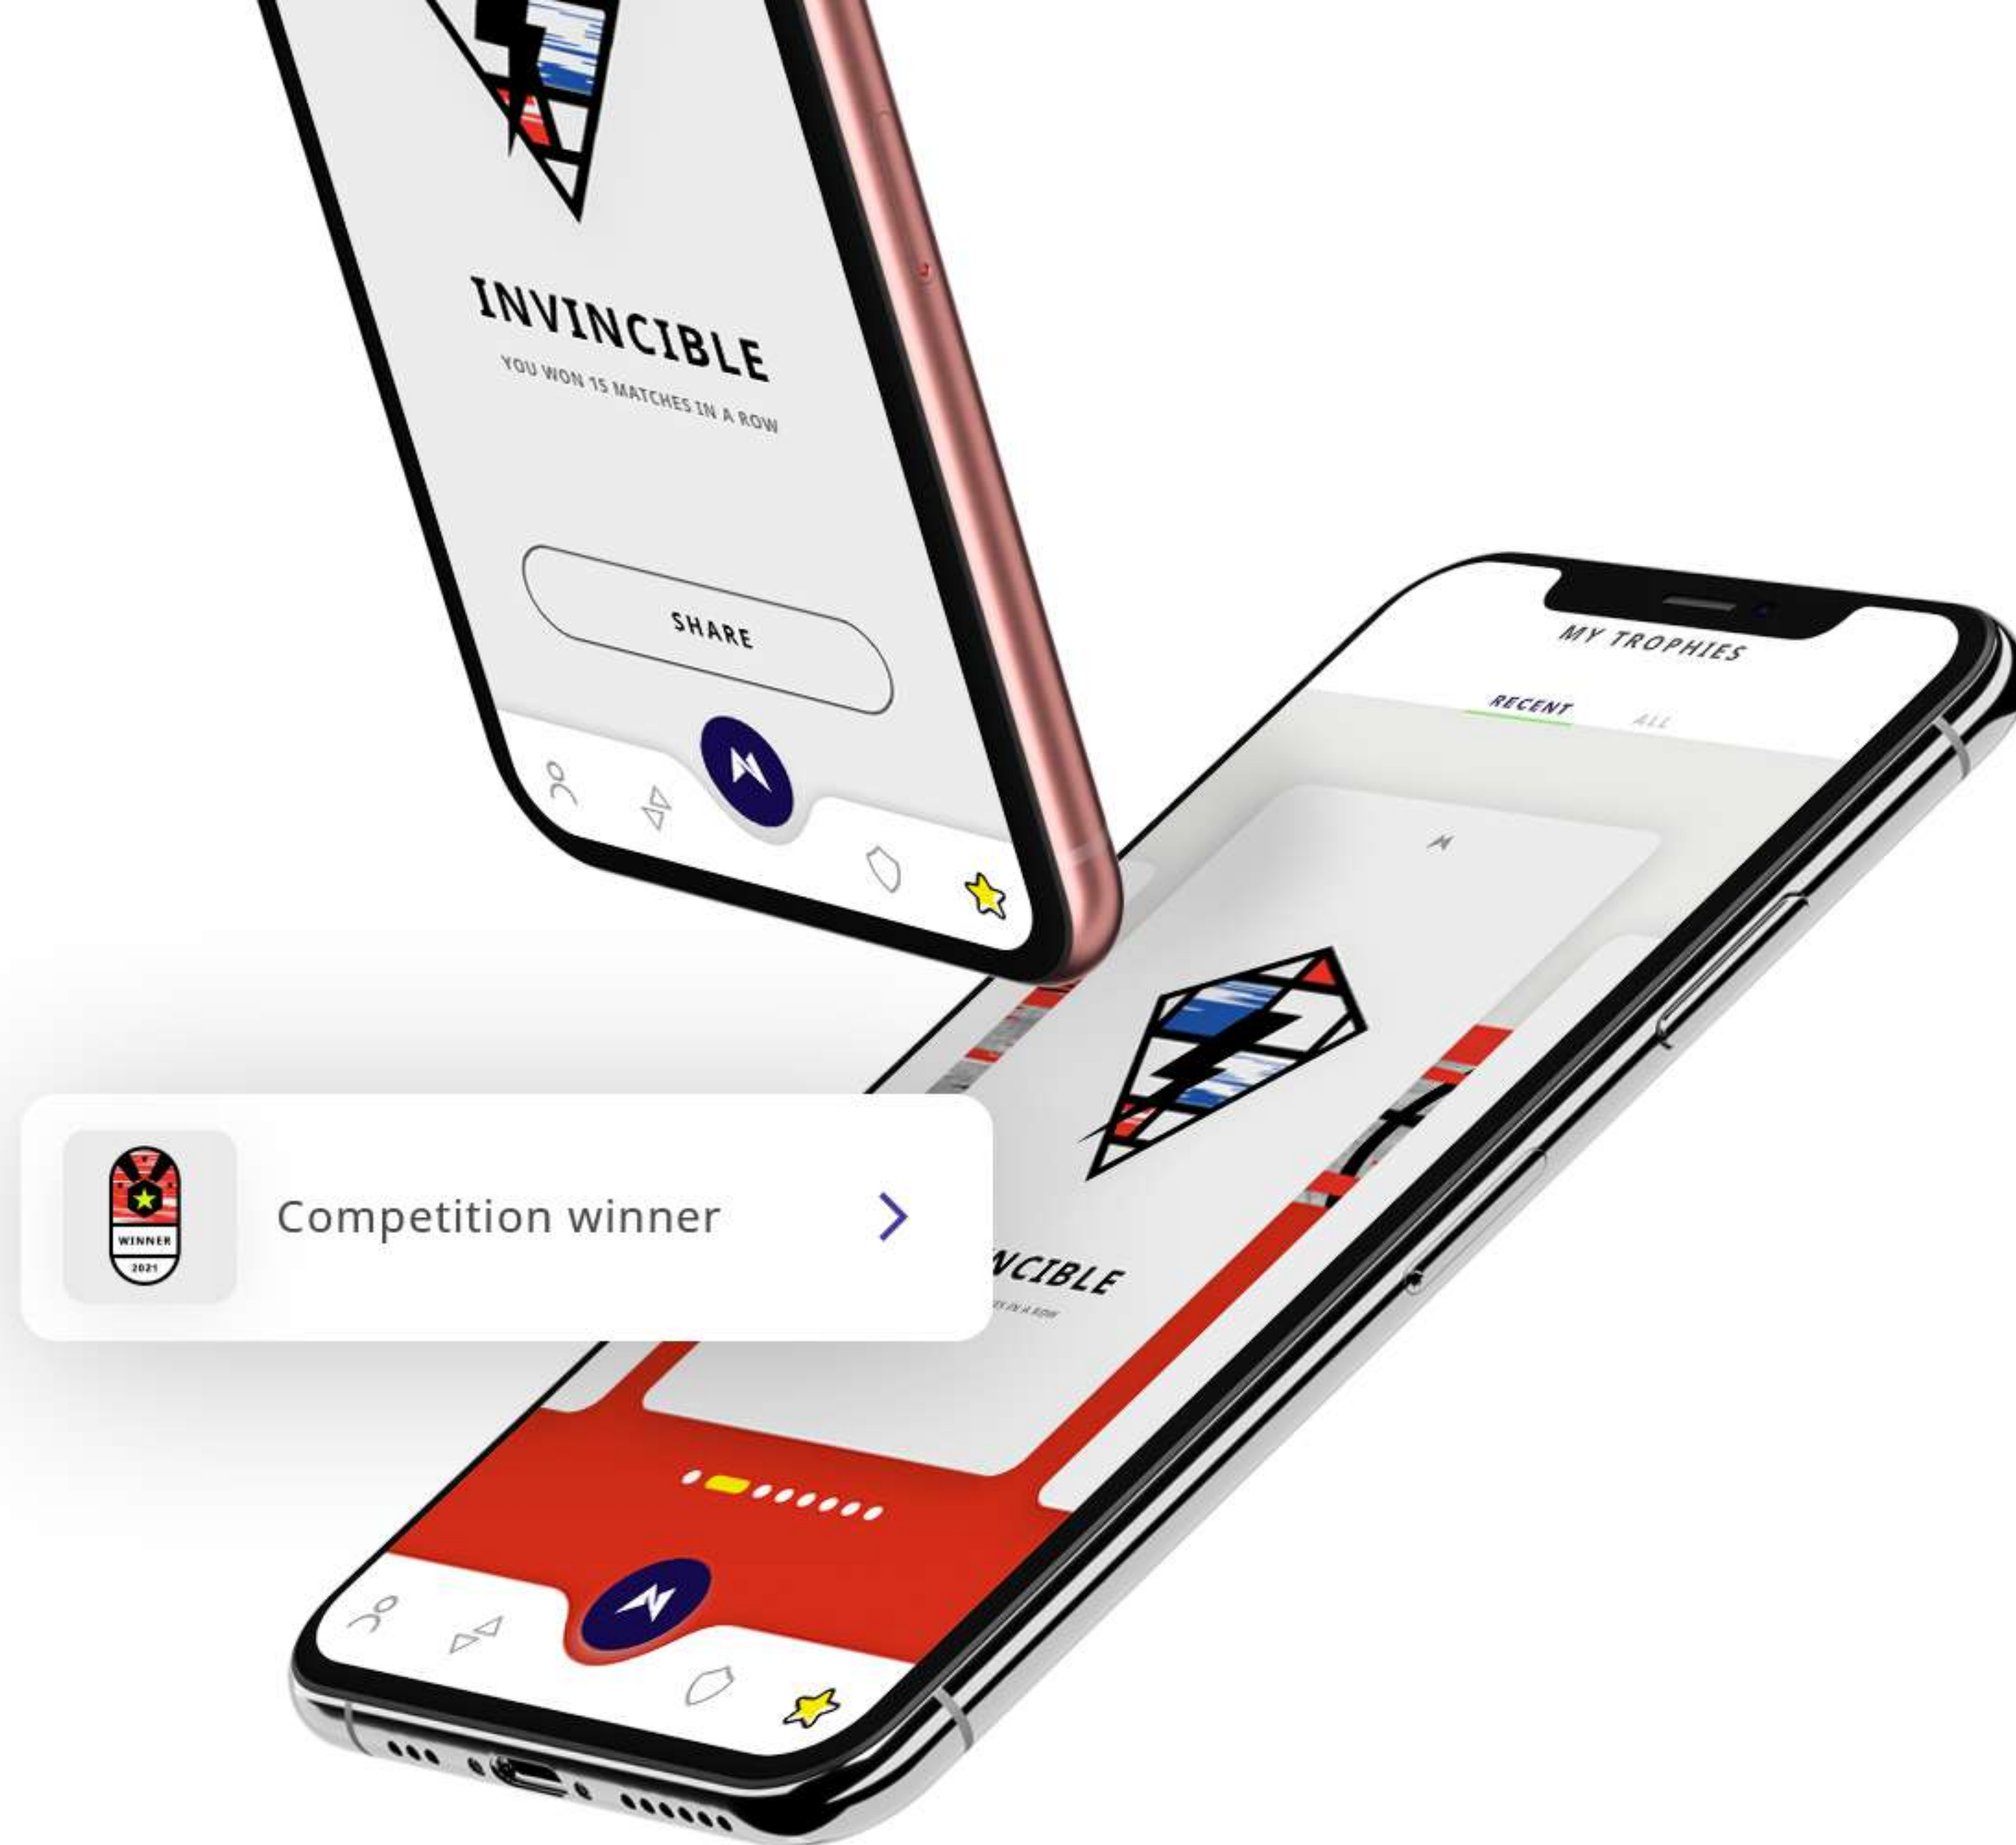

MATCHSPACE

Tab 4 Trophies

- Here you can view your trophies won via key milestones and playing achievements.

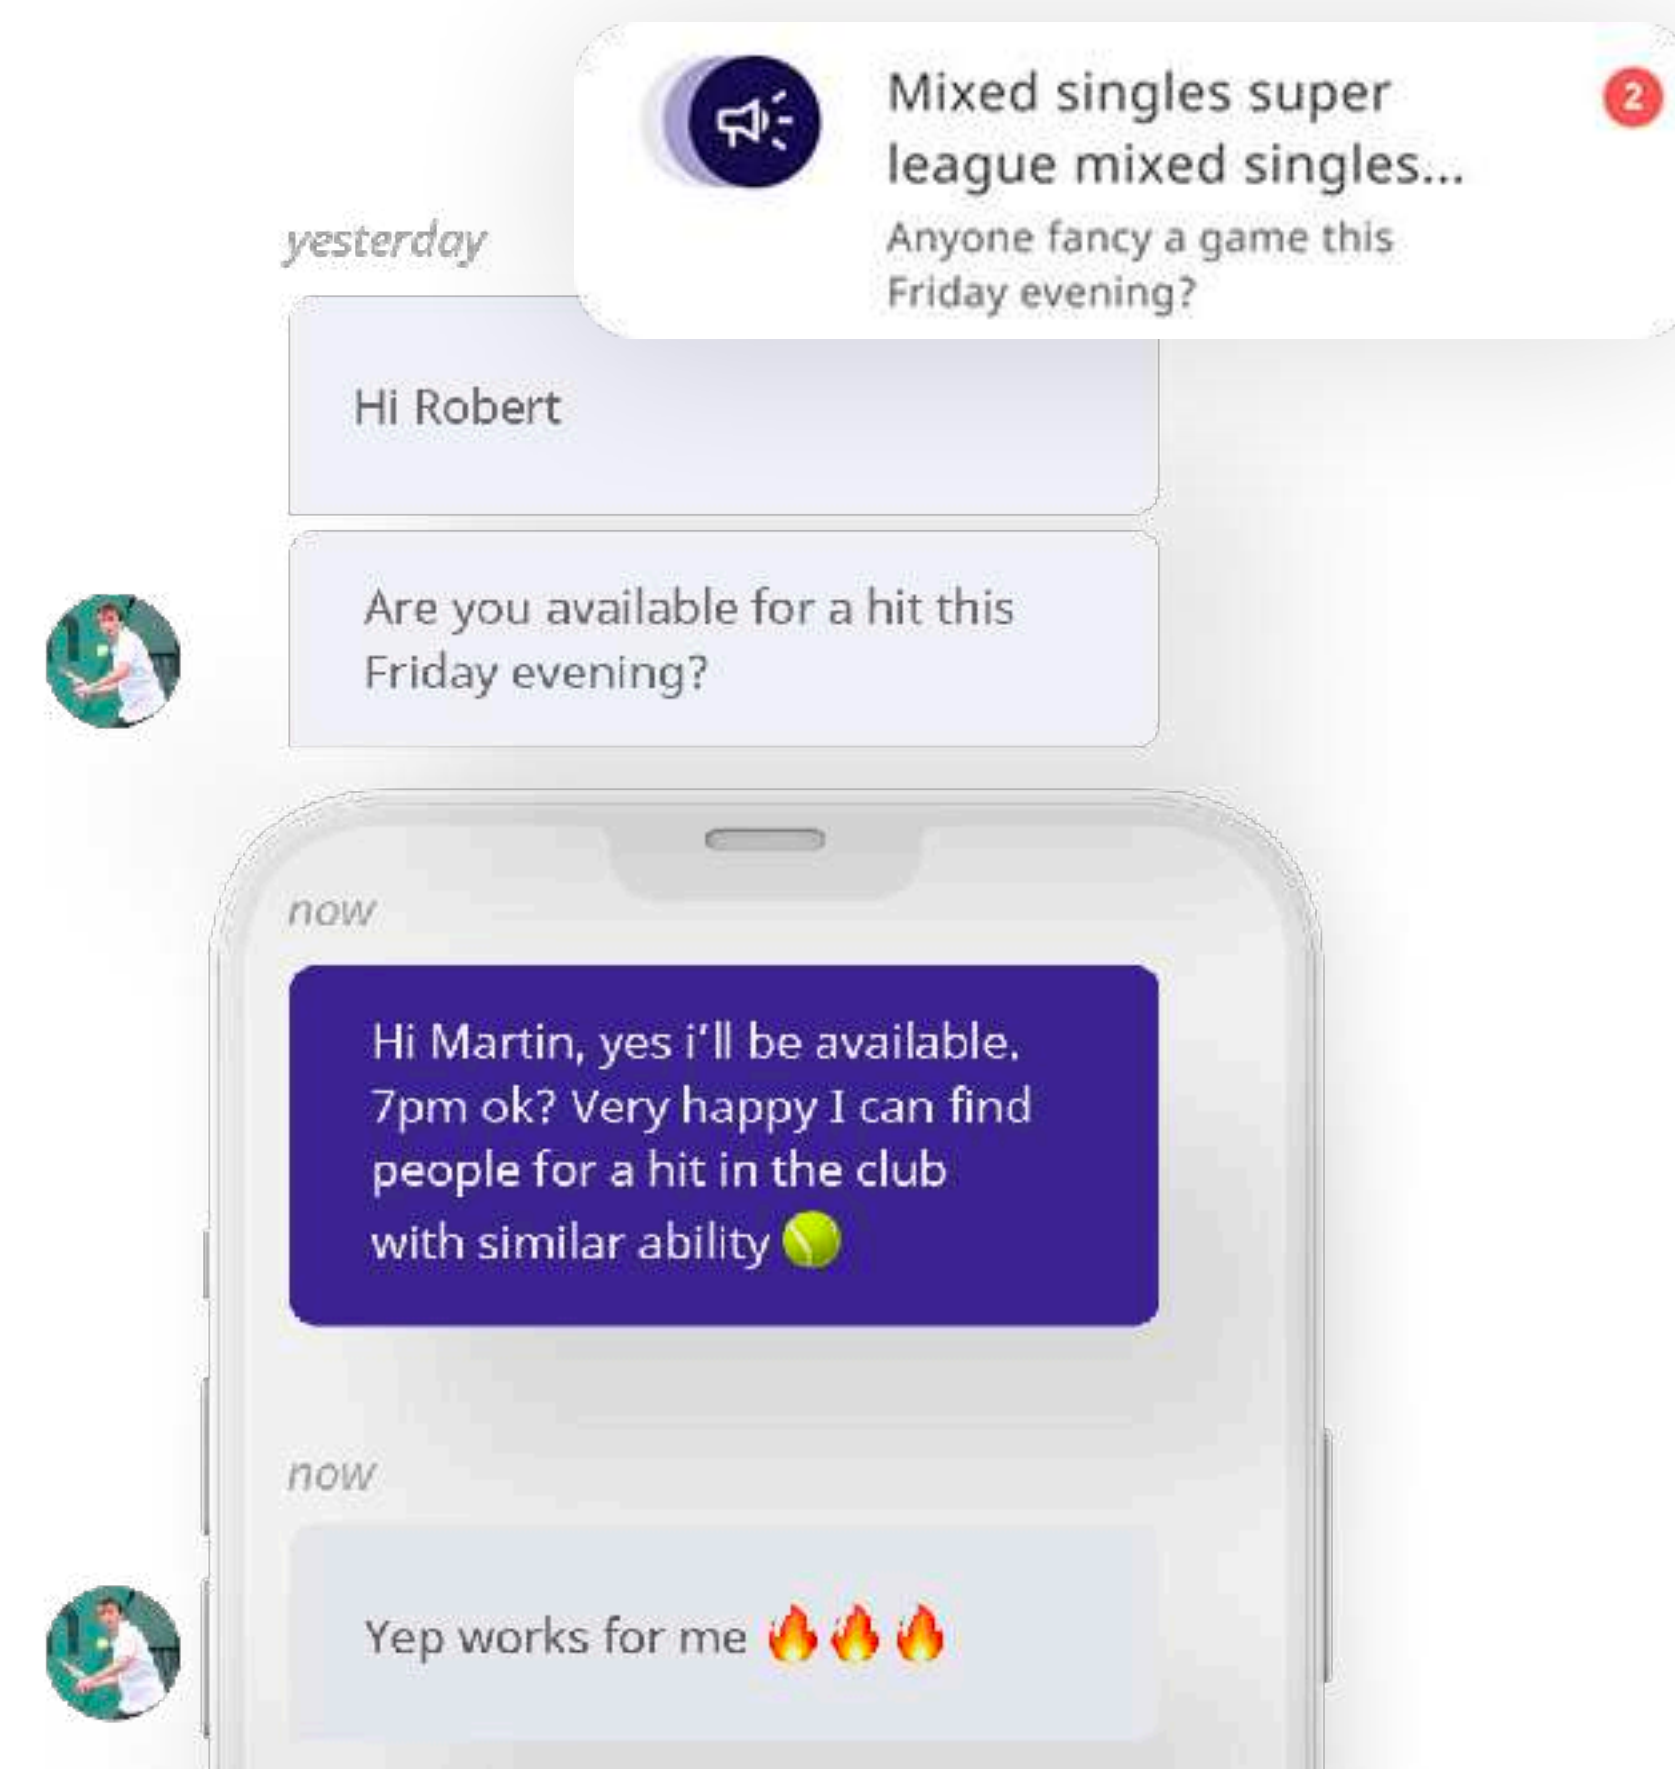

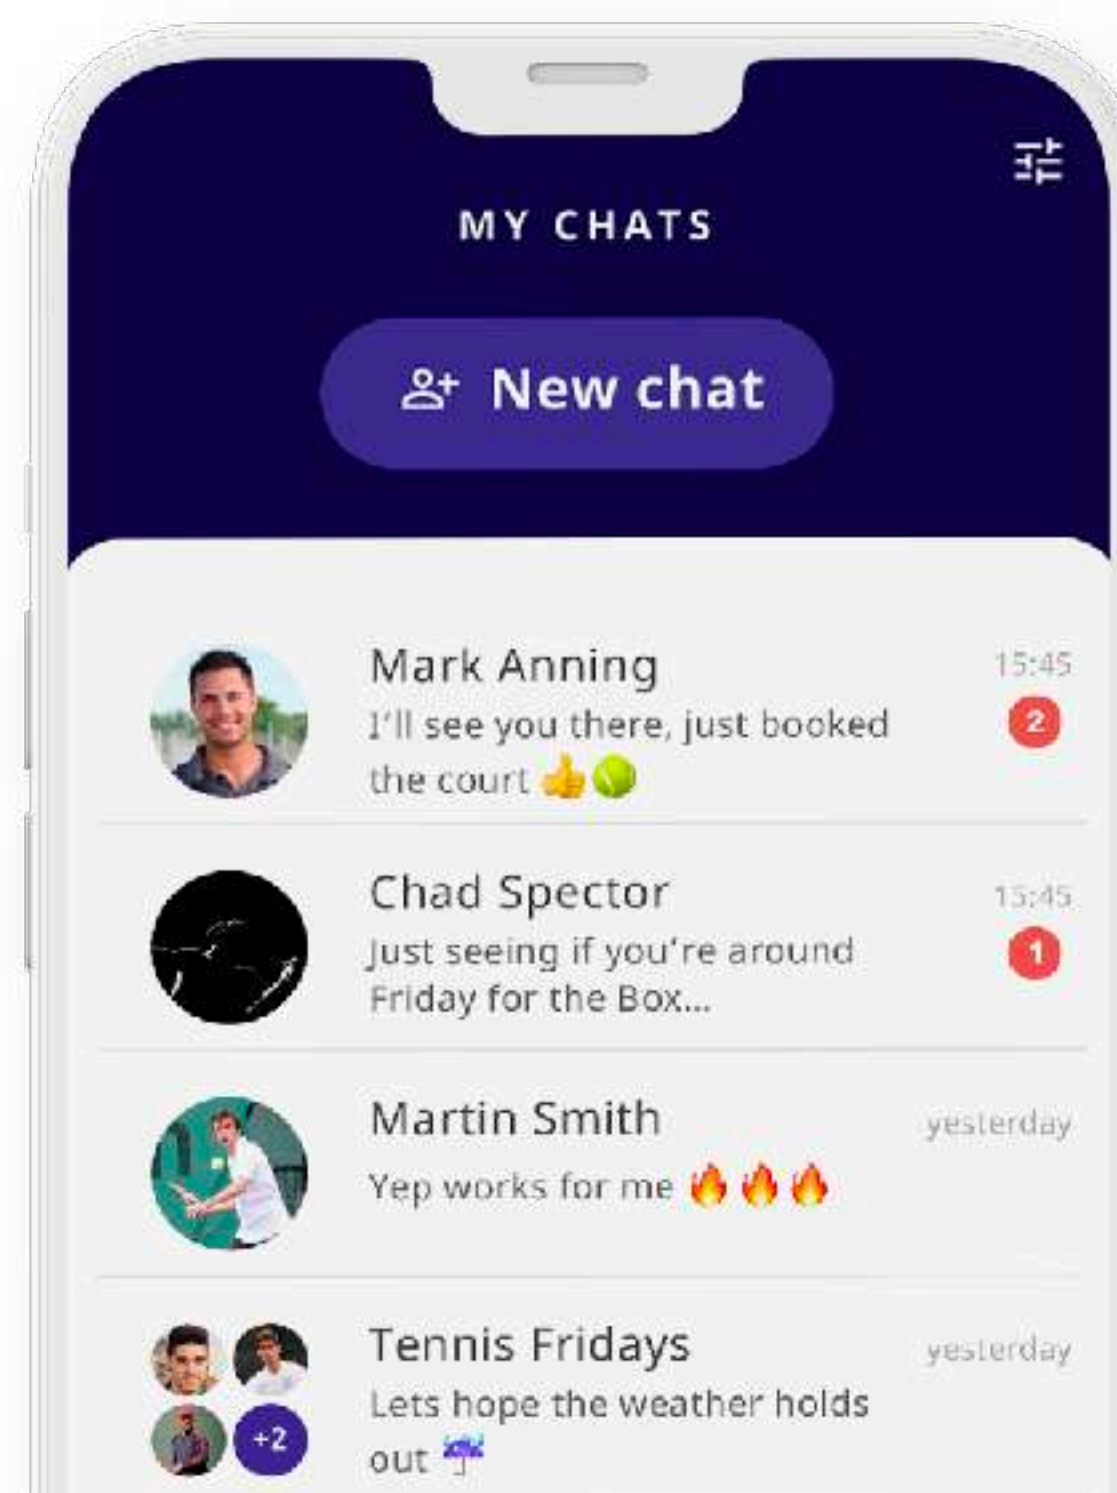

MATCHSPACE

Matchspace Chat

- Here you can create new chats and view all existing chats with other members.
- Tap the large 'M' button in the navigation to open the chat.
- You can also find group broadcasts for any leagues you've entered in the list page

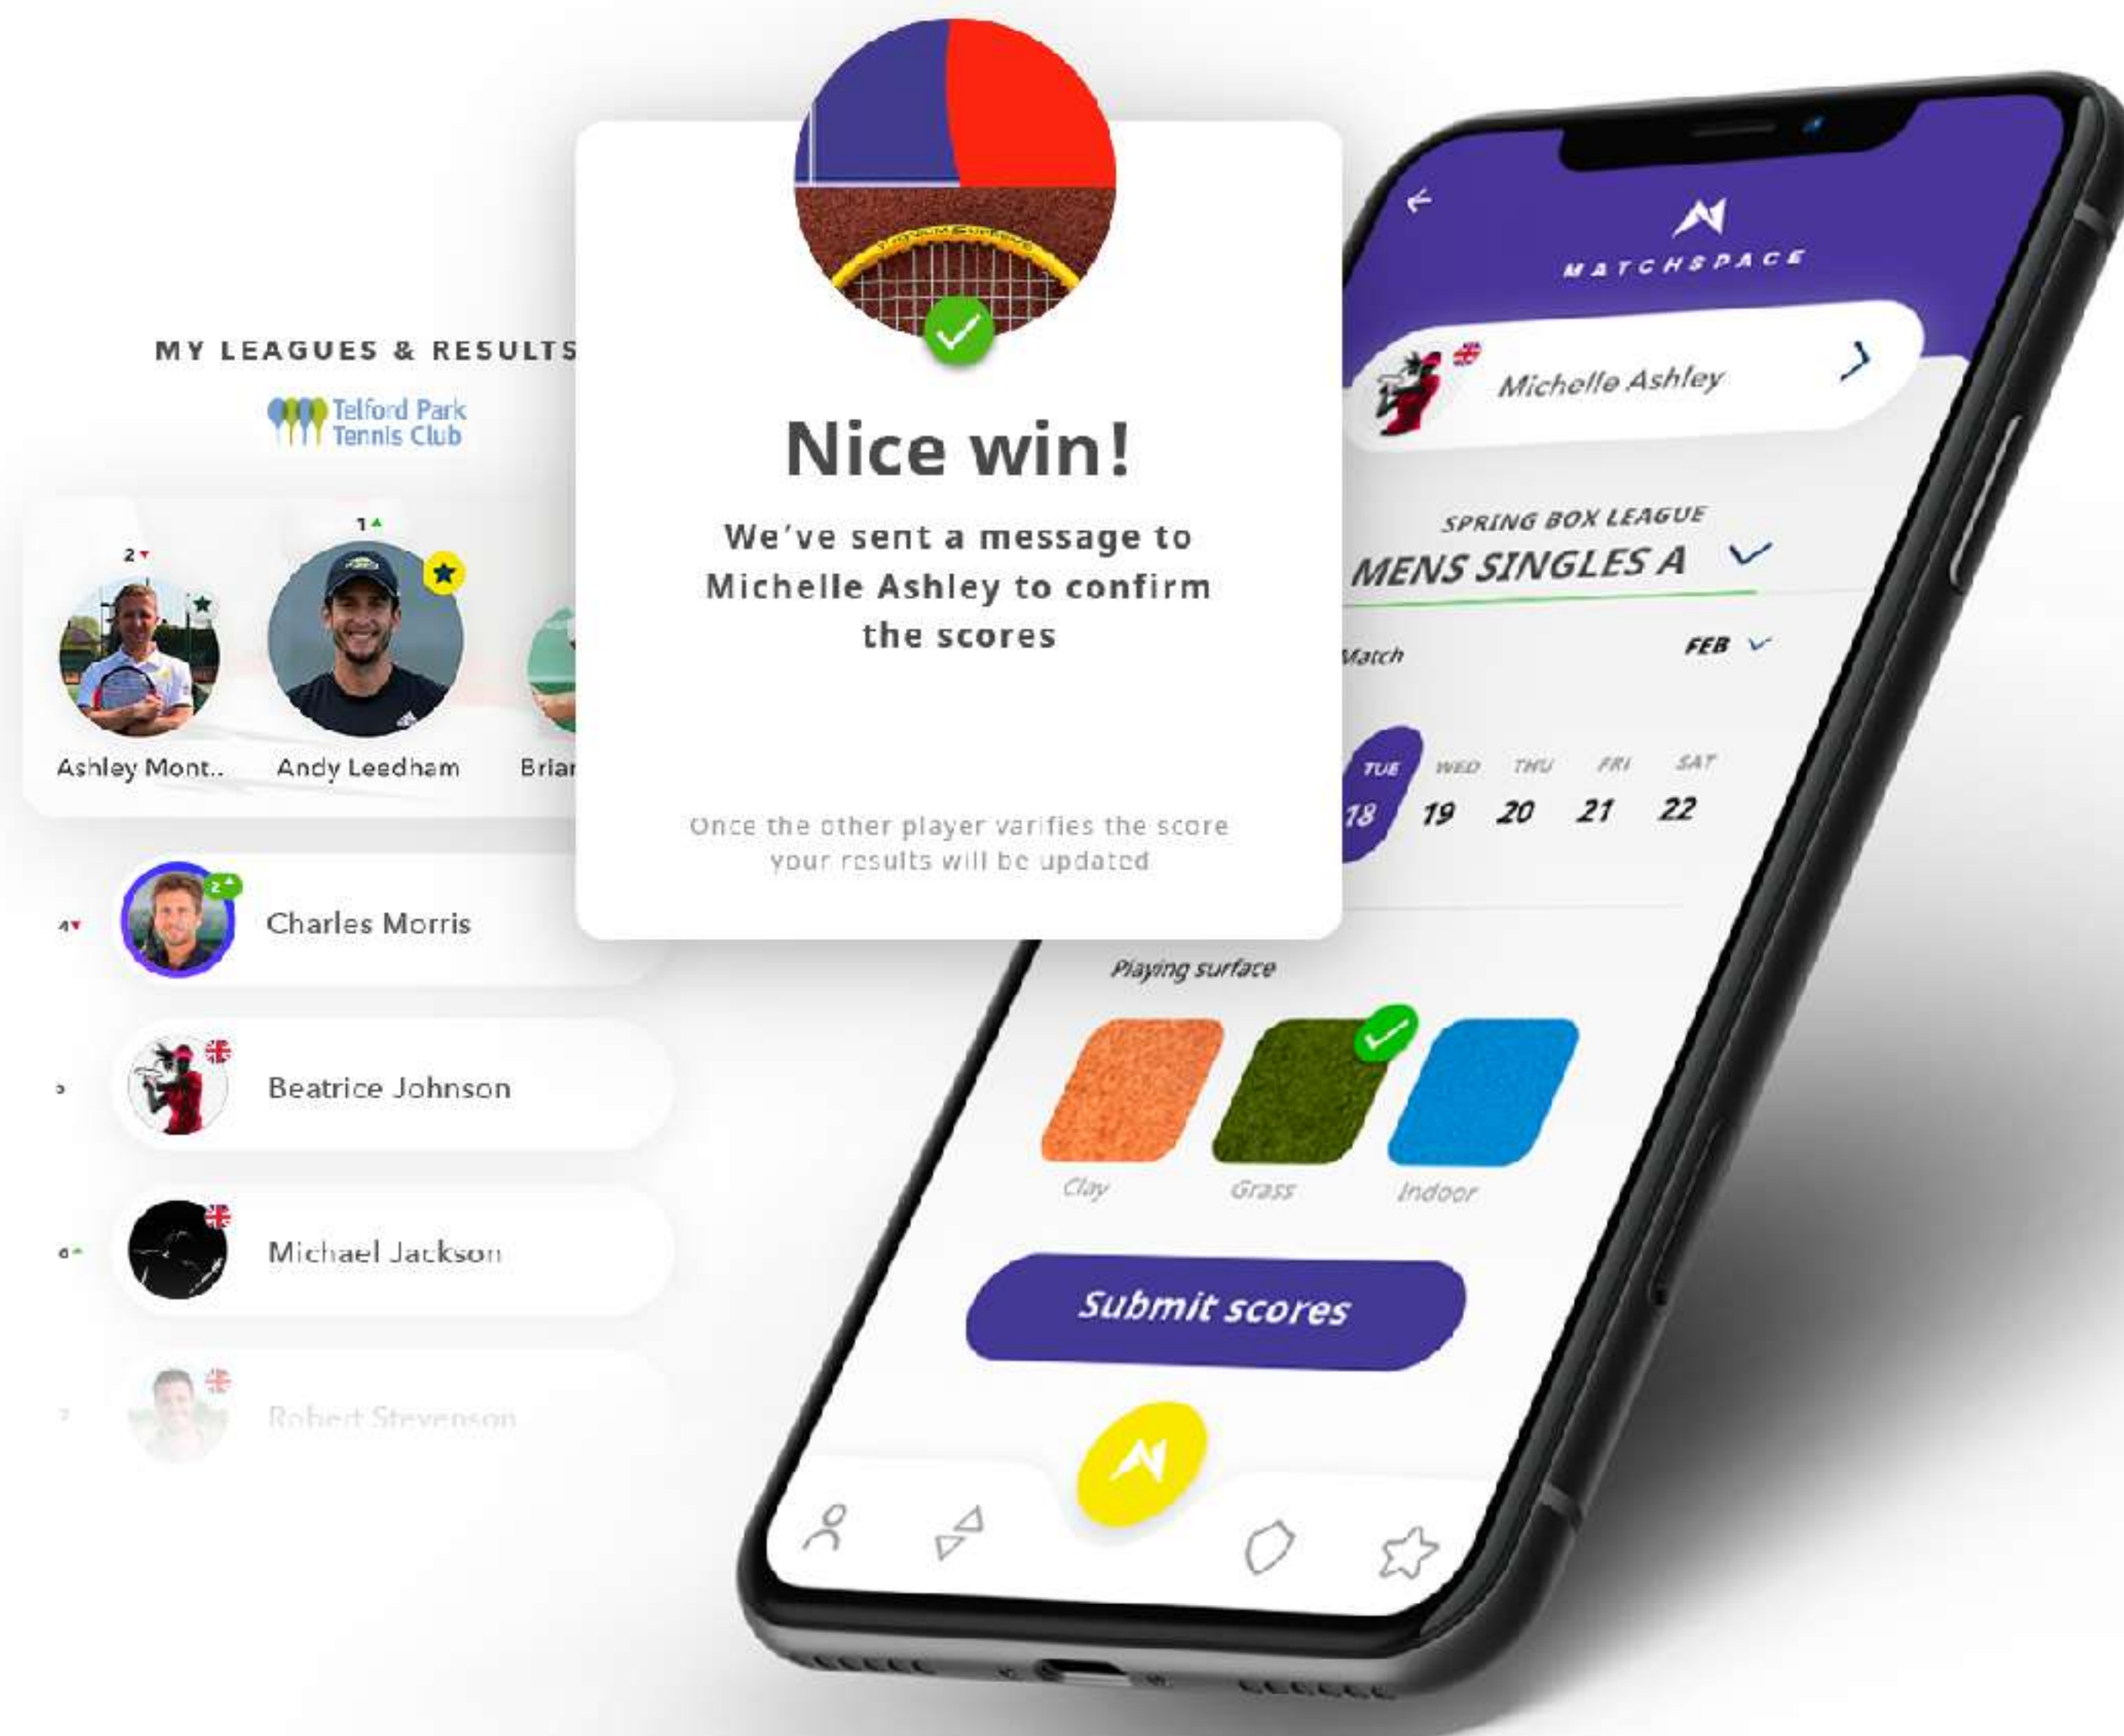

MATCHSPACE

Adding scores

- You can add a score by opening 'Find a game' Tab 1 home screen.
- Find your opponent and select add scores.
- Select the competition you are drawn against your opponent in.
- Add the date, surface, score and then select submit.
- This will send a notification to your opponent who must verify the score.
- Once a score is verified by the opponent the league table will update.
- You can also contact your club admin if a score has not been validated as they can validate and add scores in the backend dashboard.
- For **Box Leagues** you can also add a score by clicking on an opponent in the league view.

On-point notifications

Notifications keep everyone in the loop and keep participation levels high.
Be sure to keep them turned on in your app preferences.
